Portfolio: Chirag Creates

PROFESSIONAL SUMMARY

Full Stack Developer with hands-on training and project experience at Dhanamitra Infotech LLP. Skilled in MERN stack development, backend security, cloud deployment, and DevOps workflows. Experienced in delivering production-ready platforms in fintech, edtech, and academic publishing domains with a focus on scalability, performance, and secure authentication.

PROFESSIONAL EXPERIENCE

Dhanamitra Infotech LLP

Full Stack Developer (Training & Project Experience)

MERN • REST APIs • JWT/RBAC • Cloud Deployments • CI/CD • Docker

- Developed end-to-end full-stack applications using **MongoDB, Express.js, React.js, and Node.js**.
- Designed secure **RESTful APIs** with **JWT authentication** and **role-based access control (RBAC)**.
- Worked on **database schema design**, backend optimization, and secure API integrations.
- Deployed applications on **AWS** and **Google Cloud**; managed environments and release workflows.
- Implemented **CI/CD** pipelines and **Docker**-based deployment; supported basic orchestration workflows.
- Collaborated across teams to ship fintech, edtech, and research platforms in live environments.

Key Projects (Executed under Dhanamitra Infotech LLP)

IFR — Institute of Financial Research

Built a fintech & edtech platform with secure dashboards, role-based access, content modules, and cloud deployment for live users.

IJEBR — International Journal Platform

Developed a journal management system supporting manuscript submission, peer-review workflows, editorial dashboards, and secure operations.

CBT Life Shorts

AI-enabled CBT platform with secure authentication, modular content delivery, and user progress tracking.

Nifty Blogs

MERN-based stock market blog platform with real-time data APIs, SEO optimization, and performance-focused architecture.

MENTORSHIP

Smart India Hackathon (SIH) — Technical Mentor
Guided AI-based project development, debugging, and system design; supported team coordination and technical decisions.

EDUCATION

B.Tech — Computer Science & Engineering
ABESIT, Ghaziabad (4rd Year)

TECHNICAL SKILLS

React.js | JavaScript | Node.js | Express.js | MongoDB | MySQL | REST APIs | JWT | RBAC | AWS | Google Cloud | Docker | CI/CD | Git | Python (Basics) | Cybersecurity Basics

CERTIFICATIONS

- AWS Certified Cloud Practitioner
- Google Associate Cloud Engineer
- Microsoft Azure Fundamentals
- Certified Kubernetes Administrator (CKA)
- Introduction to Python Programming
- Introduction to Cybersecurity
- Cybersecurity Fundamentals Program
